SOCIAL SERVICES ADMINISTRATION

NB00.04 General Administration - State

It is the intent of the General Assembly that the Department of Human Resources fully implement its federal managed care waiver by immediately expanding its foster care privatization project to serve an additional 500 children. The General Assembly regrets that the Department of Human Resources did not complete this task by October 1, 2001 as directed by language in the fiscal 2002 budget bill.

The General Assembly is concerned about the length of time it takes to adjudicate child welfare cases in Baltimore City. To address this issue, the General Assembly requests that the Judiciary increase the number of judges assigned to child welfare cases in Baltimore City.
